Rocky Mountain Yogis  
Devotee-led Silent Retreat  
October 10-12, 2025*

The Denver Meditation Group of Self-Realization Fellowship will hold a devotee-led silent retreat. Self-Realization Fellowship *Lessons* students are welcome to attend. This is a wonderful opportunity to withdraw from the distractions of daily life and actively seek God.

Silence is maintained throughout the retreat including on the grounds and at meals. To maximize the effects of the retreat experience, guests are expected to participate in the full retreat program and not engage in other activities during their stay.

*The retreat theme is “Silence: Doorway to God”*

The retreat will be held at the [Franciscan Retreat Center](#) in Colorado Springs.
